## Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

## Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

## WARRANTS, CIRCULARS, &amp;c.

## CIRCULAR, No. 836.—FOREIGN STATIONS.

Forms.—1532.

War Office, 7th September, 1863.

1. IN consequence of the alterations made in the arrangement of the Army Estimates of the year 1863-64, the accompanying forms of account current and schedules are to be used by Military Accountants in lieu of those circulated with the instructions dated 4th May, 1859.

2. A statement of the heads of service for which accounts are opened in the ledgers of the War Office is also transmitted herewith, for the information and guidance of Military Accountants.

3. Care is to be taken that every item of payment or receipt be inserted in the proper schedule, and in the appropriate column. It is believed that the printed headings of the columns will be found to provide for all ordinary services at Foreign Stations, but should any case occur to which no one of the headings in the schedules is applicable, it is to be entered in the account current under the separate head provided for that purpose.

4. It will be noticed that payments of Lodging Money to Non-commissioned Officers and Privates of Regiments *who cannot be accommodated in Barracks*, which, under "Article 64 of Instructions of 4th May, 1859," were directed to be paid by Regimental Paymasters, will henceforth be paid by the Military Accountant; but that the allowance to married soldiers permitted, as an indulgence, to live out of barracks, will still be paid by the Paymaster.

5. The vouchers to the several schedules are to be numbered in separate series from 1 upwards, and are to exhibit above such serial number that of the schedule to which they relate; thus  $\frac{1}{1} \frac{1}{2} \frac{1}{3}$  &c.,  $\frac{4a}{1} \frac{4a}{2} \frac{4a}{3}$  &c.

6. No alteration in the Schedules of Receipts has been considered necessary.

7. Accountants will be careful to leave blank the last three columns in the account current as enjoined by the red ink direction at the head of the columns.

Civil Surgeons.

War Office, 25th August, 1863.

THE Secretary of State for War hereby cancels Circular No. 428, of the 24th May, 1859, and all other Regulations at present in force respecting the rates of payment to be made by the War Office to Civil Surgeons, who at Foreign Stations are specially placed in medical charge of Troops or Military Invalids, embarked in vessels other than Contract Mail Packets, or vessels required, either by Act of Parliament, or under the terms of the agreement with the Admiralty, to carry qualified Surgeons.

The rates to be allowed for the future in such cases will be those laid down in the annexed scale, and the Secretary of State desires that it may be understood that a Civil Surgeon thus employed will have no claim to be provided with a passage back to the Station at which he took over the medical charge of the Troops, nor to any sum beyond the prescribed scale of remuneration.

The claims should invariably be made out and certified upon a form similar to that attached to the scale.

## GENERAL ORDER, No. 831.

Staff College—3 (1863).

Horse Guards, S. W., 25th August, 1863.

THE accompanying Regulations for the Staff College, having been revised, are now promulgated, for the information and guidance of Officers of the Army.

Although only one Officer can be spared from a Battalion, at a time, for the purpose of studying at the College, this will not, necessarily, prevent a Battalion sending more than one to compete at an examination, if circumstances admit of their absence from their Regiment.

The principle under which Officers are allowed to enter the Staff College being that of pure competition, it follows that candidates who may be found qualified at any examination, but who, from want of a sufficient number of vacancies, cannot then be admitted, will not have any claim to subsequent admission, without undergoing another competitive examination.

It is hereby notified that, until further orders, Art. XIII. is suspended.

By order of HIS ROYAL HIGHNESS,  
THE FIELD MARSHAL COMMANDING IN CHIEF.

JAMES YORKE SCARLETT, *Adj. Gen.*

## STAFF COLLEGE.

Horse Guards, S. W., 25th August, 1863.

THE following Regulations for the Staff College are substituted for those of the Memorandum of the 6th March, 1862, published with the General Order, No. 808.

I. The Staff College is open to Officers of all arms of the Service, and consists, at present, of 30 Students; admission to the College being determined by a competitive examination. One Officer only can be admitted at a time from a Battalion of Infantry, or a Regiment of Cavalry, and only four Officers at a time from the Corps of Royal Artillery; but so far as the exigencies of the Service shall permit, there will be no limitation to the numbers allowed to compete for admission.

II. No payment is required from Students to the funds of the College.

III. The qualifications requisite for admission are—

- 1st. A previous service of not less than three years, exclusive of leave of absence.
- 2nd. A certificate from his Commanding Officer, as follows :—

" I hereby certify that I have examined ——— on the various subjects connected with his duty as a Regimental Officer, and more especially on the points which form the chief qualifications of a Staff Officer, with a view to his competency for admission to the Staff College, Sandhurst; and to the best of my belief and judgment I consider him, from his general knowledge of the service, character, habits and disposition, to be qualified for employment on the Staff, provided he pass the usual competitive examination for admission to the Staff College.

" He is a (good, fair, or indifferent) rider, and is not short-sighted."

Signature of Commanding Officer of Regiment ———.

Countersigned by the General of Brigade or other Superior Officer ———.

**GENERAL ORDER, No. 831—continued.**

3rd. The candidate, if not a Captain, to have passed the examination for a Troop or Company.

4th. A medical certificate of good health and fitness for the active duties of the Staff.

IV. Commanding Officers of Regiments will, in every case, forward applications for admission to the Staff College, through the General Officer in command, to the Adjutant-General. If the Commanding Officer of the Regiment, or the General Officer commanding, cannot recommend the application of any Candidate, the grounds of objection to be distinctly stated.

V. The competitive examination for entrance to the Staff College, comprises the following subjects, the relative value of each at the examination being shown by the number of marks attached to it :—

Mathematics ...	...	...	...	1200 Marks.
Military History ...	600	}	...	900
Military Geography ...	300			
French ...	...	...	...	300
German ...	...	...	...	300
Hindustani ...	...	...	...	300
Fortification ...	...	...	...	600
Military Drawing ...	...	...	...	300
Mineralogy and Geology ...	...	...	...	300
Chemistry, Heat, Electricity and Magnetism ...	...	...	...	300

In Mathematics, 400 marks are allotted to Arithmetic, the first four books of Euclid and Algebra, including questions producing simple equations; and of this number at least 250 must be obtained for qualification.

Every Candidate must take up either the French, German, or Hindustani Language for qualification; the qualifying minimum is, in French 150 marks, in German or Hindustani 100 marks.

The remaining subjects, as well as the higher portions of Mathematics, may be taken up or not at the option of the Candidate, the marks gained therein being reckoned in determining his position in the List of Competitors. No Candidate, however, will be allowed to count marks in any subject left optional unless he obtains at least one-sixth of the number allotted to it.

In regard to Military History, early notice will on each occasion be given of the special campaigns, on which questions will be set at the next ensuing examination.

VI. The examination of Officers serving in the United Kingdom for entrance to the Staff College is held in London about the month of July under the direction of the Council of Military Education.

In the case of Officers serving abroad the examinations of such as are allowed to compete are conducted by means of the same printed questions as are set for the examination of Candidates in London. These questions are to be answered in writing in the presence of a Board of Officers, which will be appointed by the General Officer in command, and which will certify that the Candidate has obtained no assistance from books, or help of any kind in the examination.

VII. The College course of study commences annually on or about the 1st February. The transmission of the printed Examination Papers to stations abroad is so arranged that the examinations may be held simultaneously, and the merits of the Candidates decided upon in time to admit of those who are successful joining the Staff College by the 1st February next ensuing.

VIII. The following are the subjects of Instruction at the Staff College, viz. :—\*

Mathematics—the minimum course will embrace this subject up to Elementary Mechanics, inclusive.

French, German and Hindustani.

Fortification and Artillery.

Topographical Drawing, Military Surveying and Sketching.

Reconnaissance.

Military Art, Military History and Geography.

\* A syllabus of the course of Study will be forwarded to any Officer on application to the Council of Military Education, 13, Great George Street, S.W.

GENERAL ORDER, No. 831—continued.

Military Administration, including the organization and equipment of Armies in the Field.

Military Legislation.

Elements of Natural Philosophy, Chemistry and Geology, as applied to the military sciences.

Exercise in Composition will be afforded to the Students during the whole course of instruction, in writing Memoirs or Essays on the subjects of the course.

Riding.

IX. The course of study occupies two years, which period is not to be exceeded, except in case of illness, and then only with the sanction of the Field Marshal Commanding in Chief.

The yearly course is divided into two terms, viz., from 1st February to 15th June, and from the 15th July to the 15th December, the intervening periods constituting the vacations.

X. As Officers may be expected to join the College with very varied degrees of attainment, provision will be made to enable any Student who may be well prepared in any particular subject, to attend more especially to other subjects in which he may feel himself deficient. If, for instance, the Student should come to the College previously well instructed in Mathematics, he will be enabled to direct his attention principally to the Military Sciences, or to Languages, in lieu of Mathematical Studies.

XI. During the whole course, Monthly Reports of the application and progress of each Student will be forwarded for the information of the Council of Military Education. Examinations are held at the end of every half-year; the Summer Examination being conducted by the Professors of the College, and the Winter Examination by Examiners independent of the Establishment, under the superintendence of the Council of Military Education.

The Winter Examination at the termination of the first year of the Student's course is probationary, and any Student will be required to withdraw from the College who shall fail to obtain the minimum aggregate of marks hereinafter stated.

Should, however, any marked case of deficiency or neglect be brought under the notice of the Council of Military Education at any half-yearly Examination, or at any other period, such Student will be also liable to removal.

The four following subjects will be taken up by every Student at the Probationary Examination, viz. :—

	Maximum of Marks.	Minimum of Marks allowed to count.
Fortification ... ..	450	150
Military Drawing and Surveying ... ..	300	100
Military History ... ..	450	150
Military Administration and Legislation ... ..	450	150

Of the following subjects the Student may select any three, one of which must be a language.

Mathematics	First Year's Course, viz. :—	Maximum of Marks.

	Any one Modern Language, provided one of the above be also taken up ... ..	400
	Natural Sciences ... ..	400
	Experimental ditto ... ..	400

Every Candidate will be expected to obtain a minimum aggregate of 1,400 marks.

Any Officer who does not take up Mathematics as a subject, will be required to satisfy the Examiner that he has a competent knowledge of Mensuration, and of the mode of determining heights and distances by ground Problems and by the ordinary Trigonometrical Calculations, with the aid of Logarithms; and that he is so far acquainted

\* It is optional to the Student whether he takes up this subject at the Probationary or at the Final Examination.

**GENERAL ORDER, No. 831—continued.**

with Elementary Mechanics as is necessary for understanding the principles of the construction of Military Bridges, Dams, &c., &c. His knowledge of these subjects will be tested at the Probationary Examination at the end of his first year of residence.

**XII. The following are the marks allotted to each subject at the Final Examination.**

Subjects to be taken up by every Student:—

	Maximum No. of Marks.	Minimum allowed to count.
Fortification and Artillery ...	600	300
Military Drawing and Surveying ...	350	350 (Obligatory.)

Military Art, History and Geography ...	600	300
Military Administration and Legislation ...	600	300

Subjects, of which the Student may select any three, one of which must be a language:—

First Year's Course (Marks carried forward) ...	300	900
Spherical Trigonometry and Practical Astronomy (Marks carried forward, if taken up at the Probationary Examination) ...	200	
Problems of Heights and Distances; Mechanics and Hydrostatics ...	400

Hindustani ...	400	400
Any one Modern Language, provided one of the above be also taken up ...	400	400
Natural Sciences ...	400	400
Experimental ditto ...	400	400

Every Candidate will be required to obtain for qualification 350 Marks in Military Drawing, Surveying and Reconnaissance; and an aggregate of 2,500 marks.

In the Examination in Modern Languages, great stress will be laid on original Composition.

Officers desirous of showing their proficiency in other of the Optional Subjects, in addition to the *three* which are allowed to be taken up for the competitive examination, may be examined therein, and a Special Report of their qualifications will be made to the Field Marshal Commanding in Chief, but they will not be allowed to count any marks thus gained in determining their position in the order of merit.

**XIII.** Any Officer may, with the sanction of the Field Marshal Commanding in Chief, compete at the Annual Final Examination, without previously passing through the College; and further, any Officer who desires to enter the College for one year only, will be permitted, if there be a vacancy, to present himself at the First Annual Examination of the Junior Division of Students (who will then have completed their first year), and if qualified may join the College accordingly. In each case the qualifications noted in Paragraph III. (above) will be required. Any Officer at the College, although of the Junior Division, may compete at the Final Examination of the Senior Division.

An Officer desiring to compete at the Final Examination should give not less than a year's notice of his intention, in order that he may receive a detailed statement of the subjects in which he, in common with the Students of the Staff College, will be examined. To count his full marks he will be required to produce the same number of Plans, and of Memoirs in Military History, as are prepared by the Students of the Staff College, certifying that they are his own unaided work, and that they were executed within the two years immediately preceding the examination. If his application to compete be granted by the Field Marshal Commanding in Chief, he will be required to attend at the College during the first three months of the term commencing the 15th July, in order that he may have the opportunity of executing the same Surveys, Reconnaissances and projects of Field Fortification as are executed by the regular Students.

An Officer desiring to compete at the Probationary Examination for admission to the College for a residence of one year only, consequent on the occurrence of a vacancy in the Junior Division, will be required to give six months' notice of his intention, in order that he, in like manner, may receive a detailed statement of the subjects in which he will be examined, and of the Plans and Memoirs which he will be required to produce, in common with the Students of the then Junior Division. On receiving permission from the Field Marshal Commanding in Chief to compete, he will be directed to attend at the College during the first three months of the term commencing the 15th July, in order to have the opportunity of executing the same sketches and surveys as are executed by the Students.

GENERAL ORDER, No. 831—continued.

No Officer will be allowed to present himself at either of these examinations who shall have been examined during the same year for admission to the College for the ordinary period of residence.

Either or both these examinations will be liable to be suspended whenever it shall appear that the supply of Officers from the College is sufficient to meet the requirements for the Staff of the Army.

XIV. After the Final Examination the Council of Military Education will draw up, and submit for the consideration of the Field Marshal Commanding in Chief, a List of the Successful Candidates, arranged according to merit, with a Special Report of those who particularly distinguished themselves, whose names will be also mentioned by the Council in their Report.

XV. Officers who shall have passed their Final Examination at the Staff College will be attached to each of the Arms successively, in which they have not previously served. They will be required to attend Drills, Parades and Field Days, and they will avail themselves of every practicable means of making themselves generally acquainted with the Discipline, Interior Economy, Field Movements and Duties of those Arms; and certificates to this effect will be forwarded to the Adjutant General by the Officers commanding the Corps to which they may have been attached.

It is presumed that a period of three months with each Arm will be the utmost that will be required in this respect.

XVI. The Regulations relative to the qualifications of Officers for Direct Staff Appointments, will continue in force until the system which has been above detailed shall have fully come into operation, and the examinations referred to in that Order will be conducted under the direction of the Council of Military Education.

Officers, however, who have attained the rank of Lieutenant Colonel will be exempted from the operation of that Order.

As soon as the College shall be in a position to supply all vacancies in the Staff of the Army, no Officer will be appointed to the Staff who shall not have passed the Final Examination of the College, with the exception of those of the Royal Engineers, and of those who attained before the 1st January, 1860, the rank of Lieutenant Colonel, and in every case excepting Officers of proved ability in the Field.

XVII. Although the course of Mathematics at the College has been limited to that amount of knowledge which is considered essential to complete the education of the Staff Officer, it is probable that many Officers may desire to pursue their Mathematical Studies to a much higher point; and any Candidates, therefore, who shall have proved their fitness for employment on the Ordnance Survey, or in the Topographical Department, by superior progress in the Science of Geodesy, as well as of Topography, will be named in the Report of the Council of Military Education as deserving of employment in those Services.
